

Fuel surcharge is applicable for all fuel-related charges, which relate to the consumption of diesel fuel. Charges are based on the DOE (Department of Energy) (Diesel - All types)							
Weekly fuel price is available from the DOE at 202-586-6966, or their website at							
The fuel surcharge is applicable to 'only' freight charges.				<a href="http://www.eia.doe.gov">www.eia.doe.gov</a>			
We will apply the previous weeks index to the current weeks invoices.							
Example: November 17 index price is \$2.809 per gallon.							
The chart below would be used for the corresponding additional fuel related charges an additional 23.0% would be added to the line haul charges
